

Hyde Newsletter for Spring Term 2

We are at the halfway point of year 6 already. I am extremely proud of the work that the class have done over the last term to get them prepared for secondary school. Their hard work is really paying off and we're seeing fantastic progress in maths and writing. This term we have parent's evening on Monday the 28th February and Thursday 3rd March. We also have Hyde's second class-assembly on the 8th March which you are all welcome to attend.

Routines

Routines are largely staying the same as last term. We have our last day swimming on Wednesday 23rd, after which PE will be every **Monday** and **Friday** afternoon.

Learning

We will be continuing with our Pilgrim Fathers topic this term. We have focussed on the motivations of the Pilgrim Fathers and the Mayflower voyage so far, we will be moving on to studying what happened to the Pilgrims after they arrived in America and their influence on the modern world. In science, we are going to be learning about the different ways lifestyle choices can affect our health. Mr Shaw, our PE leader, will be teaching Monday's PE lessons for the next term and he will be teaching the children orienteering skills.

Mr Terjung, Mrs Osborne and Ms Baker.
