

## Hyde Newsletter – Summer Term 1

Somehow, we have already reached the summer term and the children of Hyde class have only 12 school weeks before they leave primary school. We are currently in the final sprint towards the year 6 SATs which take place on the week beginning the 9<sup>th</sup> of May. In this week, Mrs Osborn, Miss Baker and I will be hosting the traditional Sutterton Fourfields SATs breakfast where we will be serving a selection of bacon, sausage and egg butties first thing in the morning.

### Learning

This term we are moving on to the fascinating and occasionally grizzly topic of Crime and Punishment. We will be looking in depth at the modern justice system and studying how it has changed and evolved throughout history. This term's science topic is materials where we will be looking at the properties, uses and development of various materials. Shakespeare's play 'The Merchant of Venice' will be inspiring or writing for the first few weeks of this term before we move onto the modern classic 'Holes' by Louis Sachar later in the term. In DT we are going to be looking at the influence of different designers and inventors before we design and create our own burglar alarms. Web page creation will be the focus of our computing lessons this term and Mr Shaw will be teaching Hyde cricket on Mondays. PE days for the term will be Mondays and Fridays.

Mr Terjung, Mrs Osborne and Miss Baker.
