**Agenda Items**

1. School Council badges were handed out (Ethan's given to his sister)
2. Each school councillor was given a folder to keep the meeting agendas and minutes of the meeting safe. The folder should be ideally brought along to each meeting.
3. Each class was given a log book so that the children in each class could write their suggestions or comments. The school councillors for each class were encouraged to decorate them and label them with the name of the class and the title: School Council Log Book. The school councillors will bring the log book along to each meeting.
4. The school captains and vice captains were asked to put together a PowerPoint to share during celebration assembly. Georgina volunteered to take on this task and the school can provide a memory stick so she can do the work at home if this is easier and then save it onto the school's computer drive. The PowerPoint will need to be ready for next Friday and Mrs Collett or Mrs Saxon to look through it before it is shared in assembly. The PowerPoint will need to include the following:
  - Light the candle: Jesus is the light of the world
  - Hymn
  - Attendance
  - Headteacher awards
  - Any other awards
  - Special Mentions
  - Stars of the Week
  - School Council Stars of the Week
  - Dojo points
  - Birthdays
  - Any other news
  - Exit music
5. The Parent, Teacher and Friends Association would like to award the School Council a budget to buy things that the children would like in school. The School Council will put together a business plan and a budget plan for their ideas after consulting with other children through the School Council log book. This is a fantastic new development for the School Council and they are very keen and enthusiastic and looking forward to sharing their ideas and putting a plan together.
6. Macmillan Coffee Morning was discussed and if any School Councillors are able to help with jobs if they are available.
