

**APPEAL BY THE MEDICAL CONSULTANTS OF PILGRIM HOSPITAL TO THE  
PEOPLE OF BOSTON AND LOCAL COMMUNITY**

Dear Friends

I am writing to request your support for our local Children's Services at Pilgrim Hospital (Paediatrics) which are currently under threat of being moved to Lincoln. I myself, as the Chairman of the Pilgrim Consultant body, would like to appeal to parents and local residents to support the Service and hope that you might be able to sign a petition which people can access on:

<https://you.38degrees.org.uk/petitions/saving-boston-hospital-childrens-ward>

Can we ask that parents and local people take a moment to share in the petition and put their views forward by logging on.

Can you also take a moment to share the petition with other? It's really easy – all you need to do is forward this email or share on Facebook or Twitter.

Thank you very much for your support.
