Dear Parents and Carers,

We are excited to announce that our EAL morning will take place, across both KS1 and KS2 classes, on 14<sup>th</sup> July 2017.

EAL stands for **English as an Additional Language** and refers to children who use or have access to more than one language at home or school. Throughout the Emmaus Federation, we have a wonderfully diverse range of nationalities (both adults and children) and we are eager to celebrate this fantastic aspect of our family!

During the day, there will be several language-based activities which all children will experience as a round robin. This will include songs, language, dance, food and the culture of five different countries.

We would also love to invite children to bring in any food, recipes, traditional costumes or facts they would like to share with their class. If you are planning on sending homemade food in, could you also kindly provide an ingredient list to allow children with allergies to make an informed choice.

If you have any questions regarding this, please do not hesitate to contact me via Dojo or just pop in.

Yours faithfully,

Mrs N Counsell  
Class teacher  
MFL lead.
