

Monday 8th May 2017

Dear Parents/Carers,

Please be advised that many children have been recently bringing fidget spinners to school. Many children have been seen using these toys and they have been interfering with the attention of children in class and have caused fall-outs on the playground. Please be advised that these toys will not be allowed in school.

Any fidget spinners found in school will be handed over to staff and returned to parents/guardians at the end of the school day. Any child with a medical condition which requires the need for a fidget spinner will need to consult with the SENCo or Inclusion Manager.

I extend my thanks to you in advance for your cooperation and support to ensure The Emmaus Federation maintains a safe learning environment for all.

Mrs Claire Collett
Executive Headteacher
