Tuesday 6th March 2018

Dear Parents and Carers,

Science Week Competition – Wednesday 14th March (2:00 - 3:00)

The week beginning 12th March is National Science Week, where the children will be carrying out fun activities all about exploration and discovery. Please speak to your child’s class teacher if you would like to get involved or can help out in any way. If you would like to enter the poster competition, the details of what you need to do are attached to this letter. Finished entries should be returned to class by 23rd of March. The Eco-warriors will then make a decision on the 5 best entries to be sent to the British Science Association for judging.

As part of this curriculum week, we are running a parent-child competition after school on Wednesday 14th March: the much-enjoyed ‘Spaghetti Challenge!’ Can you construct a tower using only spaghetti and marshmallows that will hold a Crème Egg? The tallest tower that holds the egg off the ground wins. Full details will be given on arrival but, if you wish to enter a team, you must have at least one adult per team (you can have as many children in the team as you wish). If you want to take part in the workshop, please could you complete the slip below to register your interest. Please come to the hall, we will collect your team, ready to start the competition by 2:00 pm.

There will be a prize for the tallest towers and we hope you will all enjoy working together.

Miss C Grooby

We would like to take part in the Spaghetti Challenge on Wednesday 14th March 2018.
