Grandparents & Grandfriends Day

Grandparents and other older adults can be very important people in children's lives. Children feel a sense of pride and accomplishment when they know that people in their extended family and community are interested in their education. So, we're having our very first special celebration! Grandparents & Grandfriends Day recognises the importance of our heritage, our community, and relationships across generations.

We're inviting the grandparents of our pupils to the event on **Friday, 15th June from 9:00 am until 11:00 am**. Alongside our first Grandparents Day, we will also be having a cupcake sale and all money raised will go to the Alzheimer's Society. We ask for children, parents, grandparents and staff to bake and make cupcakes to sell on our special morning.

This event is intended for children and their grandparents/stepgrandparents or a special "grandfriend." Sorry – our space is limited, so parents and siblings cannot attend the event after 10:00 am. We will also be hosting a 'taster morning' for our new September Reception Class children and the event for the current **Richmond Class** will only be open until 10:00 am, allowing grandparents to join us for Celebration Assembly, refreshments and then a short activity outside.

The itinerary for the morning will be as follows:

9:00 am Celebration Assembly: Grandparents complete a lap of honor, waving to their grandchildren, followed by pupils sharing their favourite memories with grandparents. Our weekly Friday assembly follows this and all parents and families are invited as usual.

9:30 am Cupcakes and refreshments for pupils, parents and grandparents (our new Reception families are also invited to attend).

10:00 am Grandparents invited to join their grandchildren during lesson time and support with a themed activity.
